Presentation and Certification

Presentación Presentation

En Frescologística, nos dedicamos al procesamiento, empaquetado y comercialización de productos del mar.

Los camarones y pescados con Valor Agregado son nuestra especialidad.

La categoría de Diamond, Gold y Silver son nuestro sello de calidad que identifica el tipo de producto que vendemos.

At Frescologística we are dedicated to the processing, packing and commercialization of seafood.

Shrimp and fish with added value are our specialty.

The Diamond, Gold and Silver categories are our quality seal which identify the type of product we sell.

Certificación Certification

En las plantas donde procesamos se cumplen con los requerimientos de la FDA (US Food and Drug Administration) (AGENCIA DE ALIMENTOS Y MEDICINAS) por lo que nuestros productos están autorizados a exportarse a los Estados Unidos de Norteamérica y a otros países.

Tenemos implementado el sistema HACCP (Hazard Analysis and Critical Control Points), (ANÁLISIS DE RIESGOS Y CONTROL DE PUNTOS CRÍTICOS) asegurándose así la inocuidad de los alimentos; así mismo, cumplimos con la higiene dictada por las SSOP (SISTEMA ESTÁNDAR DE PROCEDIMIENTOS SANITARIOS).

Our processing plants comply with the requirements of the FDA (US FOOD AND DRUG ADMINISTRATION), which authorizes our products to enter the US and many other international markets.

We have also implemented the HACCP (HAZARD ANALYSIS AND CRITICAL CONTROL POINTS) assuring the innocuity of the products we process. Likewise, we comply with the hygiene regulations dictated by the SSOP (SANITATION STANDARD OPERATING PROCEDURES)
